

EMPLOYMENT OPPORTUNITY

SCHOOL CROSSING GUARD

The Oregon Police Department is seeking reliable, concerned people who have a desire to contribute to our community's health and safety by helping ensure our children are safe while walking to and from school. The personal gratification you will receive from making a difference in these young people's lives along with the warm smiles and sincere thanks are fringe benefits which can only be measured by the experience.

The Oregon Police Department has immediate openings for substitute crossing guard positions. The rate of pay is \$11.24 per shift, which are typically less than one hour.

Additional details are available by contacting Lieutenant Craig Sherven at 835-6249. Applications can be picked up at the Oregon Police Department, 383 Park Street, between 8:00 a.m. - 9:00 p.m., or you can call 835-3111.
